

Introductory Emissions Inventory Workshop Registration Form

An introductory emissions inventory workshop will be held on February 19, 2003, from 9 a.m. to noon at the Department of Environmental Quality, room 101, 150 N. 1950 W., Salt Lake City, Utah.

This workshop is being offered to assist companies in understanding the requirements for an annual inventory and completing their Annual Emissions Inventory. The agenda will include:

Purpose of the inventory	Description of new/proposed MACTs
Explanation of forms	Basic sample calculations
New Federal Comprehensive Inventory Requirements	Question and answer session.

A registration fee is being charged to cover some of the costs of the workshop. Pre-registration is requested by February 5, 2003, and can be done by e-mail to dmcmurtr@utah.gov
Please register as soon as possible!

If you or your company would be interested in a more advanced workshop, including emission estimations specific to your industry, please contact Carol Nielsen at (801) 536-4073.
